Chicken toucher Jamal

It first started when he signed a contract steven gave him steven will be in another doc but for this doc is focused on Jamal first his name was noah but when he signed the contract now his name is Jamal and it will stick to that name as of 2026 right now so Jamal has a gang the gang name is unknown and his phone number is unknown he touches little chickens and wiped out 100 chicken farms the police is currently searching for him right now the ice agents are ready to deport him and if anyone has seen him please call 911! And if you Jamal in public or on recordings say he doesn't do sexual thing's to little chickens but don't trust what he says just turn him in and he does drugs with his gang and sells drugs as well he makes good profit off of it more then enough to keep the average person stable.
